Quiz Questions

II: SUBJECT SPECIFIC OUTCOMES

A. Knowledge Outcomes:

1. 1 The Subject helped me to understand the concepts of cell injury and changes produced thereby in different tissues and organs and the body's capacity for healing?

- Agree
- Uncertain
- Strongly Agree
- Disagree
- Strongly Disagree

2. I now understand the concept of neoplasia with reference to the etiology, gross and microscopic features, diagnosis and prognosis in different tissues and organs of the body?

- Agree
- Uncertain
- Strongly Agree
- Disagree
- Strongly Disagree

3 I can now relate gross structure with Microscopic structure to understand the pathological process involved?

- Agree
- Uncertain
- Strongly Agree
- Disagree
- Strongly Disagree

4 I now have a knowledge of common immunological disorders and their resultant effects on the human body?

- Agree
- Uncertain
- Strongly Agree
- Disagree
- Strongly Disagree

5 The Subject has helped me to understand the etiopathogenesis, the pathological effects and the clinico-pathological correlation of common infectious and non-infectious diseases?

- Agree
- Uncertain
- Strongly Agree
- Disagree
- Strongly Disagree

6. I have an understanding of the common haematological disorders and the investigations necessary to diagnose them and determine their prognosis?

- Agree
- Uncertain
- Strongly Agree
- Disagree
- Strongly Disagree

B. Skills Outcomes:

1. I can correlate normal and altered morphology (gross and microscopic) of different organ systems?

- Strongly Agree
- Uncertain
- Disagree
- Strongly Disagree
- Agree

2. I can perform and interpret in a proper manner the basic clinico-pathological procedures?

- Agree
- Uncertain
- Strongly Disagree
- Strongly Agree
- Disagree

3. I can identify various biopsy needles and blood collection vials?

- Agree
- Strongly Disagree
- Disagree
- Uncertain
- Strongly Agree

4. I know the principles of collection, handling and dispatch of clinical samples from patients in a proper manner?

- Strongly Agree
- Uncertain
- Disagree
- Agree
- Strongly Disagree

5. I can interpret CBC report of the patient and find out any abnormalities and underlying pathology present?

- Uncertain
- Strongly Agree
- Strongly Disagree
- Disagree
- Agree

6. I am able to interpret urine report of the patient to find out any abnormalities and underlying pathology?

- Disagree
- Agree
- Uncertain
- Strongly Disagree
- Strongly Agree

C. Attitude Outcomes:

1 I have Developed respect for the human body?

- Strongly Agree
- Uncertain
- Disagree
- Strongly Disagree
- Agree

2 I have learned to exhibit honesty, fairness, respect and integrity in all interactions during the year?

- Disagree
- Agree
- Uncertain
- Strongly Agree
- Strongly Disagree

3 I have Recognized the importance of teamwork?

- Strongly Agree
- Agree
- Strongly Disagree
- Disagree
- Uncertain

D. Do you believe that your overall instruction in the following themes in the Course was inadequate, appropriate, or excessive?

1. General Pathology??

- Excessive
- Appropriate
- Inadequate

2. Hematopathology?

- Appropriate
- Excessive
- Inadequate

3. Systemic Pathology?

- Appropriate
- Excessive
- Inadequate

4. Clinical Pathology?

- Appropriate
- Excessive
- Inadequate

Name of the Institute: Symbiosis Medical College for Women	
Name of the Program: M.B.B.S. -Feedback: Microbiology	
Students Feedback for design and review of syllabus	
Academic Year: 2021-2022	
Revision of syllabi is a continuous process to ensure that it remains contemporary. Revisions in the syllabi are made in consonance with the advancement in the technology. To ensure effective development of the curriculum, the feedback on the curriculum is sought from stakeholders. The suggestions given by all stakeholders are considered and discussed in the sub-specialization committee and their recommendations are forwarded to the BOS for approval.	
No. of Respondents: 41	*1 mark for each response
III. A. Subject content & Organization	
1. Subject outcome provided were very clear.	
<ul style="list-style-type: none">• Strongly Disagree• Agree• Strongly Agree• Uncertain• Disagree	
2. Subject had the right mix of theory and its practical application.	
<ul style="list-style-type: none">• Strongly Disagree• Agree• Disagree• Strongly Agree• Uncertain• Other:	
3. The level of the Course was too advanced.	
<ul style="list-style-type: none">• Strongly Disagree• Disagree• Uncertain• Strongly Agree• Agree	
4. I Learned new concepts	
<ul style="list-style-type: none">• Disagree• Uncertain• Strongly Agree• Agree• Strongly Disagree	
5. What I learnt in this Subject will serve as a foundation for future learning.	

- Agree
 - Strongly Agree
 - Uncertain
 - Strongly Disagree
 - Disagree
6. The Subject content was organized in a systematic manner.
- Agree
 - Uncertain
 - Strongly Agree
 - Strongly Disagree
 - Disagree
7. The Subject content had adequate examples of clinical relevance.
- Strongly Agree
 - Strongly Disagree
 - Agree
 - Disagree
 - Uncertain
8. I had enough time to study the important topics in depth.
- Strongly Agree
 - Uncertain
 - Strongly Disagree
 - Agree
 - Disagree
9. The learning resources identified were appropriate for my needs in the Subject.
- Agree
 - Uncertain
 - Strongly Agree
 - Disagree
 - Strongly Disagree

Quiz Questions

II: SUBJECT SPECIFIC OUTCOMES

A. Knowledge Outcomes:

1. The Subject helped me to understand the structure of bacteria which I can correlate with mechanisms of drug resistance?
- Agree
 - Strongly Agree
 - Disagree
 - Strongly Disagree
 - Uncertain
2. I can now relate the aetiology, pathogenesis, lab diagnosis and clinical manifestations of particular disease?

- Strongly Agree
- Uncertain
- Strongly Disagree
- Agree
- Disagree

3. I can now explain use of particular antibiotic against particular infection?

- Strongly Agree
- Agree
- Disagree
- Uncertain
- Strongly Disagree

4. I can now explain about different health care associated infections?

- Strongly Disagree
- Uncertain
- Agree
- Strongly Agree
- Disagree

5. The Subject has helped me to understand transmission of different infections among community and hospital?

- Agree
- Uncertain
- Strongly Agree
- Disagree
- Strongly Disagree

6. I can explain the needle stick injury and precautions needs to be taken

- Strongly Disagree
- Uncertain
- Agree
- Strongly Agree
- Disagree

B. Skills Outcomes:

1. 1 I can correlate Microbiology with disease.

- Uncertain
- Strongly Agree
- Disagree
- Agree
- Strongly Disagree

2. I can Identify different Bacteria, fungus, Parasites and Viruses with the help of culture and serology?

- Disagree
- Uncertain
- Strongly Disagree
- Strongly Agree
- Agree

3. I can identify gram positive and gram negative bacteria's under Compound Microscope?

- Uncertain
- Disagree
- Strongly Disagree
- Agree
- Strongly Agree

4 . I can read different biochemical reactions useful for identification of Microorganism?

- Strongly Agree
- Agree
- Uncertain
- Strongly Disagree
- Disagree

5. I am aware of biomedical waste disposal, all standard operating precautions like hand hygiene and PPE?

- Agree
- Strongly Disagree
- Uncertain
- Disagree
- Strongly Agree

6.I am aware of sample collection and transport to laboratory??

- Strongly Disagree
- Agree
- Disagree
- Strongly Agree
- Uncertain

C. Attitude Outcomes:

1 I have Developed respect for the human body?

- Strongly Agree
- Uncertain

- Disagree
- Strongly Disagree
- Agree

2 I have learned to exhibit honesty, fairness, respect and integrity in all interactions during the year?

- Disagree
- Agree
- Uncertain
- Strongly Agree
- Strongly Disagree

3 I have Recognized the importance of teamwork?

- Strongly Agree
- Agree
- Strongly Disagree
- Disagree
- Uncertain

D. Do you believe that your overall instruction in the following themes in the Course was inadequate, appropriate, or excessive?

1 Bacteriology?

- Inadequate
- Excessive
- Appropriate

2 Virology ?

- Inadequate
- Excessive
- Appropriate

3. Immunology?

- Inadequate
- Excessive
- Appropriate

4. Mycology??

- Excessive
- Inadequate
- Appropriate

5. Parasitology?

- Excessive
- Inadequate
- Appropriate

Quiz Questions

III: Teaching learning methods

1 Lectures

- least effective
- effective
- maximally effective
- very effective
- somewhat effective

2 Practical's

- maximally effective

Quiz Questions

IV: ASSIGNMENTS AND TESTS

1 The Formative / Summative assessments matched well with the Subject content?

- Strongly Disagree
- Disagree
- Strongly Agree
- Uncertain
- Agree

2 The number of tests given in the year was adequate?

- Strongly Agree
- Strongly Disagree
- Agree
- Disagree
- Uncertain

3 Questions in tests required deep thinking before answering?

- Strongly Disagree
- Disagree
- Agree
- Uncertain
- Strongly Agree

4 Instructions provided for tests were clear?

- Agree
- Uncertain
- Strongly Agree
- Strongly Disagree
- Disagree

5 Adequate time was available for study before tests?

- Strongly Disagree
- Agree
- Uncertain
- Disagree
- Strongly Agree

6 Formative tests helped me in self-assessment?

- Agree
- Uncertain
- Disagree
- Strongly Disagree
- Strongly Agree

7 Feedback was given on Formative/ Internal assessment Exams?
