 - Disagree
 - Strongly Disagree

Quiz Questions

II: SUBJECT SPECIFIC OUTCOMES

A. Knowledge Outcomes:

1. The Subject helped me to understand the the structure of Human Body which I can correlate with function?
- Strongly Agree
 - Disagree
 - Agree

- Strongly Disagree
- Uncertain

2. I can now relate the structural functional alteration to clinical manifestations?

- Agree
- Uncertain
- Disagree
- Strongly Agree
- Strongly Disagree

3 I can now relate gross structure with Microscopic structure to understand its functioning?

- Strongly Disagree
- Disagree
- Agree
- Strongly Agree
- Uncertain

4 I can now explain the major events in the development of Human Embryo?

- Uncertain
- Strongly Agree
- Disagree
- Strongly Disagree
- Agree

5 The Subject has helped me to understand the Structure and function of Nervous system?

- Agree
- Disagree
- Strongly Disagree
- Uncertain
- Strongly Agree

6 I can explain the general arrangements of Chromosomes and can relate it to clinical picture in their alterations?

- Uncertain
- Disagree
- Strongly Agree
- Strongly Disagree
- Agree

B. Skills Outcomes:

1. I can dissect on Cadavers without harming myself or Others?

- Strongly Agree
- Uncertain
- Disagree
- Strongly Disagree
- Agree

2 I can Identify the Bones and Soft tissue parts of Human Body?

- Agree

- Uncertain
- Strongly Disagree
- Strongly Agree
- Disagree

3 I can identify tissue under Compound Microscope?

- Agree
- Strongly Disagree
- Disagree
- Uncertain
- Strongly Agree

4 I can palpate major landmarks, organs and Pulse of major Arteries on Human Body?

- Strongly Agree
- Uncertain
- Disagree
- Agree
- Strongly Disagree

5 I can Demonstrate the Human development and Genetic inheritance using models and Charts?

- Uncertain
- Strongly Agree
- Strongly Disagree
- Disagree
- Agree

6 I am able to identify the arrangement and relationships of the important structures in the Human Body?

- Disagree
- Agree
- Uncertain
- Strongly Disagree
- Strongly Agree

C. Attitude Outcomes:

1 I have Developed respect for the human body?

- Strongly Agree
- Uncertain
- Disagree
- Strongly Disagree
- Agree

2 I have learned to exhibit honesty, fairness, respect and integrity in all interactions during the year?

- Disagree
- Agree
- Uncertain
- Strongly Agree

- Strongly Disagree

3 I have Recognized the importance of teamwork?

- Strongly Agree
- Agree
- Strongly Disagree
- Disagree
- Uncertain

D. Do you believe that your overall instruction in the following themes in the Course was inadequate, appropriate, or excessive?

1 Gross Anatomy?

- Excessive
- Appropriate
- Inadequate

2 Histology?

- Appropriate
- Excessive
- Inadequate

3 Embryology?

- Appropriate
- Excessive
- Inadequate

4 Genetics?

- Appropriate
- Excessive
- Inadequate

Quiz Questions

Quiz Questions

IV: ASSIGNMENTS AND TESTS

1 The Formative / Summative assessments matched well with the Subject content?

- Strongly Disagree
- Disagree
- Strongly Agree
- Uncertain
- Agree

2 The number of tests given in the year was adequate?

- Strongly Agree
- Strongly Disagree
- Agree
- Disagree
- Uncertain

3 Questions in tests required deep thinking before answering?

Strongly Disagree

- Disagree
- Agree
- Uncertain
- Strongly Agree

4 Instructions provided for tests were clear?

- Agree
- Uncertain
- Strongly Agree
- Strongly Disagree
- Disagree

5 Adequate time was available for study before tests?

- Strongly Disagree
- Agree
- Uncertain
- Disagree
- Strongly Agree

6 Formative tests helped me in self-assessment?

- Agree
- Uncertain
- Disagree
- Strongly Disagree
- Strongly Agree

7 Feedback was given on Formative/ Internal assessment Exams?

- Strongly Agree
- Agree
- Uncertain
- Strongly Disagree
- Disagree

8 Questions tested integration across subjects?

- Uncertain
- Strongly Agree
- Agree
- Strongly Disagree
- Disagree

Quiz Questions

V. Free Response

A. What did you like most in this Subject?

Answer

**SMCW
SUHRC**

**SYMBIOSIS MEDICAL COLLEGE FOR WOMEN &
SYMBIOSIS UNIVERSITY HOSPITAL AND RESEARCH CENTRE**

Constituent of Symbiosis International (Deemed University) Established under section 3 of the
UGC Act 1956 Re-accredited by NAAC with 'A' grade 3.58/4 | Awarded Category - I by UGC

B.What did you dislike most in this Subject?

Answer

C. Any Suggestions related to Teaching Learning Methods?

Answer

D. Please feel free to enter any other comments about the Subject or suggestions for improvement?

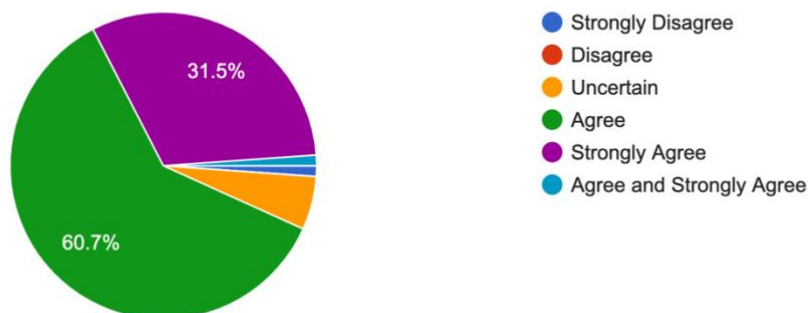

Answer

9. The learning resources identified were appropriate for my needs in the Subject.

- Agree
- Uncertain
- Strongly Agree
- Disagree
- Strongly Disagree

B. Skills Outcomes:

1 The subject helped me in understanding of the physiology and basic regulatory concepts related to the functioning of life processes?

- Uncertain
- Agree
- Strongly Agree
- Disagree
- Strongly Disagree

2 I can now relate the functional alteration to clinical manifestations?

- Strongly Agree
- Agree
- Uncertain

- Strongly Disagree
- Disagree

3 I can now name the key physiology themes (homeostasis & regulation, structure/function relationships, compartmentation, biological energy transformation, and communication & information flow)?

- Agree
- Disagree
- Strongly Agree
- Strongly Disagree
- Uncertain

4 I can now use the scientific method and quantitative reasoning in the field of physiology?

- Strongly Disagree
- Agree
- Strongly Agree
- Uncertain
- Disagree

5 The Subject has helped me to understand the mechanistic (how) and teleologic (why) understanding of the levels of organization comprising the human organism?

- Agree
- Strongly Disagree
- Disagree
- Strongly Agree
- Uncertain

6 I can explain and Integrate knowledge of the major systems to outline how these systems interact to maintain homeostasis?

- Strongly Agree
- Uncertain
- Disagree
- Strongly Disagree
- Agree

B. Skills Outcomes:

1 I can now be able to perform, analyze and report on experiments and observations in physiology?

- Strongly Agree
- Strongly Disagree
- Uncertain
- Disagree

- Agree

2 I can understand the functions of important physiological systems including the cardio-respiratory, renal, reproductive and metabolic systems?

- Strongly Disagree
- Uncertain
- Strongly Agree
- Agree
- Disagree

3 I can identify different blood cells under compound Microscope?

- Uncertain
- Agree
- Strongly Agree
- Strongly Disagree
- Disagree

4 I can now physically examine the normal subject for general and systemic examination?

- Uncertain
- Strongly Agree
- Disagree
- Strongly Disagree
- Agree

5 I can now be able to perform, analyse and report on experiments and observations in physiology?

- Strongly Agree
- Strongly Disagree
- Agree
- Disagree
- Uncertain

C. Attitude Outcomes:

1 I have Developed respect for the human body?

 - Strongly Disagree

Quiz Questions

II: SUBJECT SPECIFIC OUTCOMES

A. Knowledge Outcomes:

- 1 The Subject helped me to understand the molecular & functional organization of cell & subcellular organelles?
- Agree
 - Strongly Agree
 - Disagree
 - Strongly Disagree
 - Uncertain
- 2 I can now explain the clinical significance of each metabolic process to maintain the optimum health in context of every tissue ?

- Strongly Agree
- Uncertain
- Strongly Disagree
- Agree
- Disagree

3 I can now explain the biochemical basis of individual disorder?

- Strongly Agree
- Agree
- Disagree
- Uncertain
- Strongly Disagree

4 I can now explain significance of analysis of biochemical parameters?

- Strongly Disagree
- Uncertain
- Agree
- Strongly Agree
- Disagree

5 I can now explain the biochemical basis of treatment modality for individual disorder?

- Agree
- Uncertain
- Strongly Agree
- Disagree
- Strongly Disagree

6 I can explain utility of advance biochemical techniques?

- Strongly Disagree
- Uncertain
- Agree
- Strongly Agree
- Disagree

B. Skills Outcomes:

1 I can detect and / or estimate routine, biochemical parameters from human biological samples ?

- Uncertain
- Strongly Agree
- Disagree
- Agree
- Strongly Disagree

2 I can detect and / or estimate immunological biochemical parameters from human biological samples ?

- Disagree
- Uncertain
- Strongly Disagree
- Strongly Agree
- Agree

3 I can explain principles, methods, instrumentation & applications of biochemical techniques?

- Uncertain
- Disagree
- Strongly Disagree
- Agree
- Strongly Agree

4 I can explain the significance analysis biochemical parameters?

- Strongly Agree
- Agree
- Uncertain
- Strongly Disagree
- Disagree

5 I can interpret biochemical laboratory reports in health & diseases?

- Agree
- Strongly Disagree
- Uncertain
- Disagree
- Strongly Agree

6 I can interpret & explain the Quality control data related to biochemical parameters?

- Strongly Disagree
- Agree
- Disagree
- Strongly Agree
- Uncertain

C. Attitude Outcomes:

1 I have Developed respect for the human body?

- Strongly Agree
- Uncertain
- Disagree
- Strongly Disagree
- Agree

2 I have learned to exhibit honesty, fairness, respect and integrity in all interactions during the year?

- Disagree
- Agree
- Uncertain
- Strongly Agree
- Strongly Disagree

3 I have Recognized the importance of teamwork?

- Strongly Agree
- Agree
- Strongly Disagree
- Disagree
- Uncertain

D. Do you believe that your overall instruction in the following themes in the Course was inadequate, appropriate, or excessive?

1 Clinical Chemistry?

- Inadequate
- Excessive
- Appropriate

2 Metabolism?

- Inadequate
- Excessive
- Appropriate

3 Bio-organic Chemistry?

- Inadequate
- Excessive
- Appropriate

4 Bio-information?

- Excessive
- Inadequate
- Appropriate

Quiz Questions

II: SUBJECT SPECIFIC OUTCOMES

A.Knowledge Outcomes:

1 The Subject helped me understand Community Health care's structure, which I can correlate practically?

- Agree
- Disagree
- Uncertain
- Strongly Agree
- Strongly Disagree

2 I can now relate structural or functional alteration to public health/ clinical manifestations?

- Strongly Agree
- Strongly Disagree
- Agree
- Disagree
- Uncertain

3 I can now relate primary health care services and their use for the community?

- Strongly Disagree
- Disagree
- Strongly Agree
- Agree
- Uncertain

4 I can now explain the epidemiological triad to disease causation?

- Agree
- Uncertain
- Strongly Agree
- Disagree
- Strongly Disagree

5 The Subject has helped me to understand community health problems as per disease burden in the community?

- Disagree
- Uncertain
- Agree
- Strongly Disagree
- Strongly Agree

B. Skills Outcomes:

1 I can communicate with the healthcare workers to understand their role in patient care?

- Agree
- Strongly Disagree
- Uncertain
- Strongly Agree
- Disagree

2 I learned to interact with the individuals and groups in the community to know their social factors and changing trends in their livelihood, routines, and habits?

- Uncertain
- Disagree

- Agree
- Strongly Disagree
- Strongly Agree

3 The PRA tool application in the field has developed interpersonal communication skills by enabling individual and group interaction with the villagers?

- Disagree
- Uncertain
- Strongly Disagree
- Strongly Agree
- Agree

4 . Health camp organization and patient mobilization was understood during the family adoption program?

- Agree
- Strongly Disagree
- Strongly Agree
- Uncertain
- Disagree

C. Attitude Outcomes:
