

## **Department of Pediatrics**

### **Best Practice- Title- School Health Camp**

#### **1. Objectives of the Practice-**

Camp conducted in school between 1<sup>st</sup> June 2023 to 31<sup>st</sup> May 2024 in Mulshi Anganwadi schools and pre-primary schools. The main object to conduct the camp was Routine health checkup of school children's and create awareness in children and their parents regarding healthy nutrition, hygiene. Spread awareness regarding importance of routine vaccination.

#### **2. The Context-**

Before conduct health checkup camp we scheduled the date and time and coordinated with school principal & teachers.

#### **3. The Practice-**

All age groups children/students were present at one place; it was easy to give health information as per the group. Anthropometry of all students was performed.

#### **4. Evidence of Success-**

After examination, students with physical problems were advised to come to Symbiosis Hospital for the senior Paediatric consultation and investigations if advised. The details of the camps conducted is mentioned below:
