

## World No Tobacco Day Awareness Programme

The Department of ENT organized an awareness program in observance of World No-Tobacco Day. The event featured a skit performance by SMCW students, highlighting the dangers of tobacco use. Additionally, there were poster and rangoli-making competitions to engage participants creatively. Survivors of tobacco-related diseases were also honored, sharing their inspiring stories and reinforcing the importance of a tobacco-free life.

The poster features the Symbiosis University Hospital logo at the top left. The main text is in Hindi: 'सिंबायोसिस विद्यापीठ रुग्णालय आणि संशोधन केंद्र' (Symbiosis University Hospital and Research Center). Below this, it says 'जागतिक तंबाखूविरोधी दिन' (World No Tobacco Day) and 'धूम्रपान हे आरोग्यास हानिकारक आहे' (Smoking is harmful to health). A date '३१ मे' (31st May) is highlighted in a red oval. The background shows a hand holding a lit cigarette, with icons of lungs, a brain, and a stomach. At the bottom, contact information is provided: 'www.symbiosisuniversityhospital.com' and 'info@suhrc.siu.edu.in'.
